

Ontario Eco School

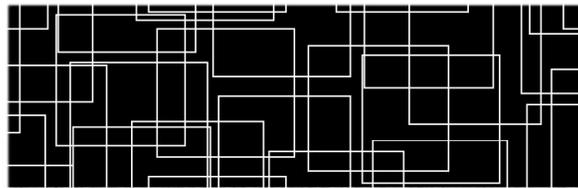

We are proud to be part of the Ontario Eco School program, and have an active student leadership team and club that take on recycling and composting, energy conservation initiatives, and eco-education to foster lifelong environmental thinking and action.

Our building is also a green facility with many eco-features, including Water Bottle Filling Stations, 100% Green Cleaning Products, and Solar Panels generating 25% of our energy.

Something for Everyone

Our students enjoy a wide array of extra-curricular programs such as Me2We, Athletics, Music, Arts, Robotics, Clubs, Book Clubs, and more!

CROSSROADS PUBLIC SCHOOL

BETTER TOGETHER

TECHNOLOGY SHOWCASE

At Crossroads Public School, we know that 21st Century Learners need experiences with technology to prepare them for the future. We are proud to have:

- a Smart Board in every classroom
- Front Row or Red Cat Audio System in every classroom
- Document Camera and wired computer pod in every classroom
- access for all students to portable Netbook labs, "Clickers" (interactive response systems to engage and assess learning), Livescribe Pens (portable audio recorder linked to text), iPads, etc.
- an incredible Learning Commons (think library/computer lab/Starbucks) with print materials, eLearning opportunities, Mac computers, Smart Board, and plenty of space to learn as a class, in groups, or for individual study
- dedicated staff who are committed to providing technological experiences that increase motivation, technical skills, problem solving and collaboration

"If we teach today as we taught yesterday, we rob our children of tomorrow."

John Dewey

Educating the Whole Child through:

- our school-wide Tribes Program - character education that promotes the creation of a values-based classroom and school community, equipping children with social, communication and problem solving skills
- our English as a Second Language, Full Day Early Learning, and Special Education Programs, all offered in a fully accessible facility
- Niagara Recess Project - Cooperation with Brock University to promote physical activity and anti-bullying strategies
- Healthy Snack Program - Cooperation with Niagara Nutrition Partners to promote healthy eating and assist families in need
